Versatile for cutting different, flexible and soft materials (up to 11 mm thick), e.g. PVC, carpet, cardboard, leather, fabrics.

Fast work progress due to no-load speed that is perfectly matched to soft and flexible materials.

Extremely powerful: cutting performance of up to 300m (PVC 4 mm) per battery charge (2.0 Ah).

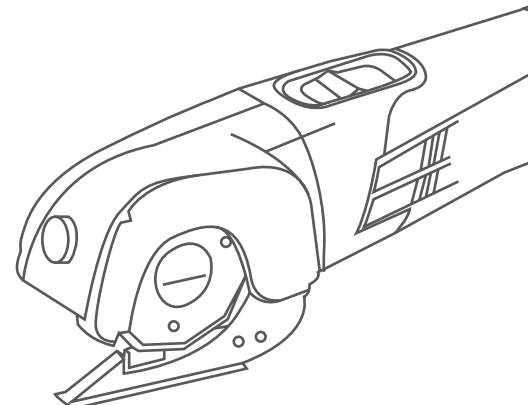

Perfect cutting performance due to self-sharpening Autosharp blade.

Bosch Electronic Cell Protection (ECP): protects the battery against overload, overheating and deep discharge.

Practical battery charge level indicator can be used at any time to find out how much energy is left in the battery.
